

UK@CERN: 27-29 November 2017

The Department for International Trade, in collaboration with the Science and Technology Facilities Council, is pleased to announce the dates for the next UK industry visit to CERN: **27-29 November 2017**.

This unique annual event will take a select group of companies to CERN to see firsthand the types of research and industrial opportunities available.

Draft Programme	
Monday 27 November	<ul style="list-style-type: none"> • Travel to Geneva • Evening : informal welcome dinner for participants
Tuesday 28 November	<ul style="list-style-type: none"> • Individual meetings at CERN arranged by DIT Geneva • Evening : networking reception
Wednesday 29 November	<ul style="list-style-type: none"> • Continuation of individual meetings at CERN arranged by DIT Geneva • From 14.00 onwards – departure for UK

What's on offer?

The cost of participating is £714 (plus VAT) per company. Included in the above programme each company will receive a bespoke one to one meeting schedule on Tuesday and Wednesday (at CERN), delivered by the British Embassy office in Geneva through DIT's Overseas Market Introduction Service (OMIS). DIT and STFC staff will provide assistance on the CERN site. Travel and accommodation costs should be met by individuals. A block booking has been made in a central hotel for delegates.

Please note that places are strictly limited.
